THE CLOCK IN THE BAR. BY GEORGE JOHNSON 'Tck-tick"-the livelong day,

Went the old brass clock in the bar-"Tick-tick"-ticking away, It stood 'mid the bottles thete. Many's the scene," quoth the old time piece "Of debauch I have witness'd here: As I've pointed the hours on my dial face-Ticking from year to year !'

"Where is that, once, jovial crowd, That met here every day, Drinking, carousing, and singing aloud?"

Baith the echo: "Where are they?" "I warn'd them against the poisonous draught, But they heeded not what I said-They mark'd not my time, as the cup they qualf'd-They slumber now with the dead !

"Tick-tick-here have I stood. Ticking from year to year; And tales of woe could tell if I would, Which had their origin here-Husband and brother, father and son, I've uselessly warn'd of their doom; I've seen full many a favor'd one, Go down to the drunkard's tomb!!! "All the day long, all the night long,

From my place 'mid the bottles bere. I've heard the garulous talk and song Of the drunkards, from year to year. Little the revellers thought how fast, Their sands were ebbing away, As I told of hours, of days that pass'd, And pass'd forever and aye!

"Tick-tick-full many a time,

As I've ticked from year to year, I've thought how strange it was in him-My owner, to place me here. Yes! strange that I who telf the time And mark each fleeting breath, Should startle the ear of man with my chime, Whilst quaffing the "liquid death! ""

Yet, here I stand, ticking away, With the revellers gather'd around; Hourly I warn them every day, But they heed not, heed not the sound, When the Angel shall cry : "Time shall cease !" Too late, they'll think of the old time piece And wish they d heeded my warning !"

This, we are aware, must appear incredible, but we have
lotters from Physicians and our Agents from all parts of the
United States, informing us of extraordinary cures. R. Van
tuestrag, Eaq., one of the most respectable Druggists in Newark, N J., informs us that be can refer to more than 150 cases
in that place alone. There are thousands of cases in the City
w New York, which we will refer to with pleasure and to
usen of character. It is the best medicine for the proventive
of disease known. It undoubtedly saved the lives of more
than

5,000 CHILDREN THE PAST YEAR! As it removed the cause of disease, and prepared them for the Summer season. It has never been known to injure in the RHEUMATISM.

This Sarsaparilla is used with the most perfect success in Rheumatic complaints, however severe or chronic. The estentishing cures it has performed are indeed wonderful. Curremedies cometimes give temporary relief, this entirely exadicates it from the system, even when the limbs and hones

are dreadfully swollen.

AT Hear Mr. Seth Terry, one of the oldestand most respectable lawyers in Hartrord, Conn. The following is an extract of a letter received from him:

Dr. Townsad—I have used one bottle of your Sarsaparilla. But find it is excellent in its effects upon a Chronic Rheumatic pain to which I am subject, from an injury occasioned several years ago, in a public stage. Plense send me two bottles to the care of Dr. Seymour. I have conversed with two of our principal physicians, and recommend your Sarsaparilla.

CONSUMPTION CURED. Cleanse and Strengthen. Consumption can be cured. Bronchitis, Consumption, Liner Complaint, Colds, Catarrh, Conghe, Ashima, Spitting of Blood, Soreness in the Chest, Heetic Flush, Night Sweizs, Difficult or Profuse Expectoration, Pain in the Side, &c. have been and can be cured.

Night Sures., Difficult or Profise Expectoration, Pain in the Side, &c. have been and can be exerced.

Dr. Townsend—Dear Sir: Nearly twenty years ago, I took a violent cold, which settled on my lungs, and affected no severely, indeed, finally, it became a constant hacking cough, but not so severe as to prevent me from attending to my business. Within the last few years it increased on me gradually. At last I became reduced—I breathed with difficulty, and raised with my cough much bad matter, and for the last nine months previous to using your Sarsuparilia, had regular night sweats; indeed, my friends and my-elf supposed that I would die with the Consumption; but I have the happiness to inform you that, to my surprise, after using three bottles of your Sarsuparilla, I fad my breath restored. It relieved me gradually and I am now enjoying much better health than I have before mu 25 years. I had almost entirely lost my appetite, which is also returned. You are at liberry to publish this with my name in the papers, if you choose.

My little girl, who is three years, had a very bad cough the whole of last Winter. We became very much alarmed on her account. While using the medicine, I gave her some of it, and it soon entirely relieved her, as well now myself, and she is swoll now and hearty as any child I ever saw. She was also full of fittle blotches; it took them away and her skin is smooth, and I am now satisfied she recovered her health from using your excellent medicine.

S. W. CONANT,

GIRLS, READ THIS.

You who have pale complexions, dull eyes, blotches on ce, rough skin, and are "out of spirits," use a bottle or to the Townsend's Sarsaparilla. It will cleanse your blo of Br. Townsend's Sarsaparilla. It will cleanse your bloc remove the freckies and blotches, and give you aminatio sparking eves, fine spirits, and beautiful complexion—all which are of immense value to unmarried ladies.

and a sensation of bearing down, falling of the womb, and with
either difficulties, and having known cares where your medicine has affected great cures, and also hearing it recommended for such cases as 1 have described, I obtained a bottle of
your Extract of Sarsaparilla, and followed the directions you
gave me. In a short period it removed her complaints, and
restored her health. Being grateful for the benefits she receired, I take plassare in thus acknowledging it, and recommending it to the public.

TO MOTHERS AND MARRIED LADIES.

This Extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has reason to suppose a he is approaching that critical period, "the turn of life," should neglect to take it, as it is a certain preventive for any of the numerous and horrible diseases to which females are subject at this time of life. This period may be delayed several years by using this medicine. Nor is it less valuable for those approaching womanhood, as it is calculated to assist nature, by quickening the blood and invigorating the system. Indeed, this medicine is invaluable for all the diseases to which the advantages of the other. See plate at the same man is patent of 3 Boi are under the same man are subject. which women are subject.

It braces the whole system, renews permanently the natural the advantages of the other.
